

2025 – OFF TO A GREAT START OVER 2,000,000 PRAYED TO RECEIVE CHRIST IN JANUARY

2024 was a record-breaking year, with over 19 million people responding to the Gospel. And, for that, we praise God. But, in all honesty, mixed with our amazement at what God did, is a sense of wondering; can we trust Him to do it again? The answer is - we MUST! I tell our fellow team members all the time, "If we're not moving forward, then we're backing up". There is no such thing as standing still or "shifting into neutral" in this work of reaching people for Jesus. The Word of God tells us to "press on" (Phil. 3:14), "run the race" (Heb. 12:1-2), "work while it is yet day" (John 9:4), "redeem the time" (Eph. 5:16). The SWEA/WGTT International Team is committed to doing just that.

Some of the team members from Kenya and Tanzania

65+ TEAMS RUNNING FULL SPEED

The ministry is growing. In the month of January, there were **65+ teams** in the field. They consisted of about **250 people in 10 countries** conducting **2,185 evangelistic events**, including 1,650 school assemblies, plus open-air venues, film shows, and prisons. They averaged preaching the Gospel face to face to over **75,000 people per day**. By the end of the month the total number of people who prayed to receive Jesus was **2,174,263**.

BELIEVING GOD FOR A TOTAL OF 100 MILLION

Now we are nearing the end of February, which promises to be another fruitful month of harvest. The teams have completed hundreds of events already, and have hundreds left to do before the end of the month. We are aggressively pursuing the goal, **the faith goal, of seeing 23 million people say yes to Jesus this year**. That will bring the **overall ministry history total to 100 MILLION** people having responded to the Gospel through SWEA/WGTT. Please join us in prayer and faith that God will provide all that is needed to see another 21 million respond this year and reach this milestone.

PLEASE PRAY WITH US AS WE MOVE FORWARD BY FAITH ASKING GOD FOR 1,000 EVANGELISTS

The vision and faith goals for SWEA/WGTT do not stop with the close of 2025. They extend for generations to come. My and Sheila's **primary focus nowadays is to build a solid foundation for the ministry to stand on, and expand from, over many years to come**. We are asking God to raise up **1,000 evangelists and teams** to serve in as many locations across Africa and the world, taking the WGTT methodology and simple Gospel message to the unreached multitudes.

So, please pray with us for God's enabling. Currently, there are at least 14 people who are ready to move out and establish new stations (evangelism centers). Please pray that God will provide all that is needed to get these new locations up and running. Once established, each station has the potential of reaching several hundred thousand people per year.

And, speaking of prayer, I want to say a BIG **THANK YOU** to all of you, our friends, who do pray faithfully for this work, and who do all you possibly can to help keep the Gospel wheels turning! Thank you for continuously encouraging us and the team as WE GO TO THEM!
